By David R. Shumway : John Sayles (Contemporary Film Directors) john mctiernan director die hard john mctiernan was born on january 8 1951 in albany new york usa as john campbell mctiernan jr he is a director and producer the american film institute defines western films as those quot;set in the american west that embodies the spirit the struggle and the demise of the new frontierquot; John Sayles (Contemporary Film Directors):

John Sayles is the very paradigm of the contemporary independent filmmaker By raising much of the funding for his films himself Sayles functions more independently than most directors and he has used his freedom to write and produce films with a distinctive personal style and often clearly expressed political positions From The Return of the Secaucus Seven to Sunshine State his films have consistently expressed progressive political pos nbsp An insightful and thorough study of an important film director Bringing to bear his broad knowledge of cinema literature and

popular culture David R Shumway s study will appeal to fans of Sayles s work and others interested in the politi
