By Maya van den Heuvel-Arad : **Focalizing Bodies: Visual Narratology in the Post-Dramatic Theatre (Kleine Mainzer Schriften zur Theaterwissenschaft)** Focalizing Bodies: Visual Narratology in the Post-Dramatic Theatre (Kleine Mainzer Schriften zur Theaterwissenschaft):

Through an inter medial reading linking film and literary theory Maya van den Heuvel Arad explores the potential of

the post dramatic performer in its corporeal presence to operate as a focalizer Departing from the concept of focalization in literary narratology and transforming this concept into a visual device the author introduces the notion of the body as a visual narrator and focalizer With this she establishes an important tool to grasp the relationship between
